DISCUSS & DISCOVER

1. Faith is believing and trusting in God. God leads us to faith. We know He will keep His promise to love us forever when we have a relationship with Him because of Jesus. What are true things about God that help you have faith and trust Him? (God created the whole world. God sent Jesus to make the way for us to have a relationship with Him. God loves us. God is always with us. God is always good and kind.)
2. What do you think it means when we say Jesus is the hero of the Bible? Do you have any questions about how Jesus can be the hero of your life? (Jesus is the ultimate example of how we can live. Jesus is the only One who can rescue us from the punishment of sin.)
3. If we ever wonder who we should trust and follow, how does this Bible story answer that question? (We can trust Jesus and follow His example. We can follow the examples of people in the Bible, who loved and followed God.)

Pray: God, thank You for creating the world and creating us to know and follow You. Thank You for the people in the Bible who show us how to live and follow You. Most of all, thank You for sending Jesus to rescue us from sin. Help us have faith in You, believing and trusting that You always keep Your promises. And as You lead us to faith, help us to share Jesus with others so You can lead them to faith too. We love You. Amen.
