Notes

Willingness and obedience are essential to following Jesus. Today, Jesus is calling ordinary people to follow and trust Him. Growing deeper in faith begins with obedience. Like His original disciples, we often grow tired and can doubt the value of following Jesus. When those doubts start to enter our minds, we need to remind ourselves of what Jesus did and said, and challenge ourselves to consider if our doubt is really greater than His power and presence. We do not have to have everything together – we only need to have Jesus. There is no better way to grow in our personal faith in Jesus than to step out and help someone else find Jesus.
