

PETRONAS

Fully Synthetic

PETRONAS NeXta 0W-20 API SP

A fully synthetic engine oil designed for modern passenger cars, SUVs and vans using gasoline and diesel engines. It provides superior protection from wear and sludge for maximum engine efficiency leading to less fuel consumption. Its superior resistance to oxidation grants stable performance for the entire drain interval.

PETRONAS NeXta 5W-30 API SP

A fully synthetic engine oil designed for modern passenger cars, SUVs and vans using gasoline and diesel engines. It provides superior protection from wear and sludge for maximum engine efficiency leading to less fuel consumption. Its superior resistance to oxidation grants stable performance for the entire drain interval.

PETRONAS NeXta 5W-40 API SP

A fully synthetic engine oil designed for modern passenger cars, SUVs and vans using gasoline and diesel engines. It provides superior protection from wear and sludge for maximum engine efficiency leading to less fuel consumption. Its superior resistance to oxidation grants stable performance for the entire drain interval.

Property	Method	Synthetic Blend		Full Synthetic		
		10W-40	20W-50	0W-20	5W-30	5W-40
Viscosity, cSt @100°C	D-445	13.7	17.1	8.3	9.8	14.3
Viscosity Index	D-2270	145.0	116.0	170.0	156.0	168.0
Flash Point, COC, °C (°F)	D-92	234.0	260.0	246.0	226.0	236.0
Pour Point, °C (°F)	D-97	-42.0	-33.0	-33.0	-39.0	-42.0
CCS. Cp	D-5293	5824.0	8697.0	5240.0	5281.0	3100.0
Total Base Number (TBN)	D-2896	7.2	7.6	6.6	7.0	7.6
