About the Resort

Kick off the season with an early-winter glacier getaway to Hintertux! As **Austria's only year-round ski area**, this glacier delivers reliably snowy slopes from **1,500 m up to 3,250 m**, making it a standout destination in late November. With **64 km of groomed terrain** – from sweeping blue runs to long, exhilarating reds and a handful of challenging black pistes – it promises fun for every level. Freestyle fans will love the **Betterpark** and **Familypark**, one of the few terrain parks open in autumn. One of the most scenic highlights: ride the **Gletscherbus 3** – the world's highest **funitel (a double-cable gondola, extra stable in windy conditions)** – to enjoy incredible alpine views and even visit the **Nature Ice Palace**, a glacier cave just beneath the lift station. Hintertux sets the tone for the season – great snow, great company, and yes, the powder looks tempting... but please, only chase it with a guide! There will be crevasses out there!

Lodging & Wellness

Our home for the weekend is **Brugger's Genießerhotel Lanersbacher Hof**, a 4-star wellness hotel in Tux with **half-board gourmet cuisine** included. After skiing, unwind in the **panoramic indoor pool with glacier view**, recharge in the **Finnish and herbal saunas**, or relax in the steam baths and cozy wellness area. The hotel is ideally located in Tux, with the free ski bus stopping right outside for easy access to the Hintertux Glacier. Gourmet dining, warm service, and top-class wellness make this the perfect place to relax after a big day on the mountain.
