About the Resort

Treat yourself to Zillertal charm – right at the height of the season. This January weekend places us in the **Hochzillertal ski area**, one of Austria's most popular winter destinations. With perfectly groomed blues for easy cruising, long reds for intermediates, and challenging steepes for the adventurous, the terrain has something for everyone. Add in reliable snow, sweeping alpine views, and the lively winter atmosphere of high season, and it's the perfect time to enjoy skiing and boarding at their very best. The **Zillertal Arena** is also within easy reach, and you can even extend your skiing to the **Zillertal 3000 area**, including the **Hintertux Glacier**.

Lodging & Premium Comfort

Our base is the **brand-new 4-star Pachmair 1453 Apart Resort** in Uderns – an alpine retreat that blends modern style with centuries of tradition. The wellness facilities are exceptional: take in the mountain panorama from the **17 m infinity pool**, recharge in the **adults-only SPA** pin area with themed saunas and steam bath, or simply relax in the quiet spaces designed for unwinding. Spacious, newly designed apartments and gourmet dining round out the experience, creating a stay that feels both elegant and effortless. It's a premium alpine escape in every sense.
