

## The London Oratory School destinations 2026

We support our sixth formers and their parents fully in negotiating the higher education application process. We run a drop down day in March for the whole year group and welcome parents for an information evening to follow up.

Later in the term we organise personal statement workshops. For candidates seeking to apply early, for Oxbridge or medicine, we run an additional programme of support, including personalised super-curriculum programmes, subject workshops, admission test workshops and interview practice.

The charts and lists below show the range of institutions and subjects which our pupils attend and study.

The figures include all pupils and former pupils who applied through the school in the 2025-26 application cycle.

## 2026 applicants by course

|                                         |                                                        |
|-----------------------------------------|--------------------------------------------------------|
| Accounting                              | University of Manchester                               |
| Accounting and Finance                  | University of Exeter                                   |
| Accounting and Finance                  | University of Surrey                                   |
| Accounting and Finance                  | University of York                                     |
| Accounting and Management               | University of Bristol                                  |
| Adult Nursing                           | City St George's, University of London                 |
| Aerospace Engineering                   | Delft University of Technology (TU Delft), Netherlands |
| Ancient History                         | KCL                                                    |
| Ancient History                         | University of Bristol                                  |
