

Grove Gym Equipment Access Agreement

Updated 10/21/25

At The Grove, we value creating a welcoming, active space for our community. We love to share our gym and equipment with groups who use the space, under shared understanding of responsibility and replacement importance to help keep our space ready for all guests (current and future).

A rack of **15–20 balls is openly available for public use at all times**– no agreement needed. For groups who would like access to the additional equipment, we're happy to provide it with the following understanding:

Agreement for Use of Additional Gym Supplies

By signing this agreement, you acknowledge and agree to the following:

1. Access

- Access is a privilege extended as an **extra benefit** for your rental.
- You may request the code to the locked gym supply cupboard.
- The code may not be shared outside of the primary renter.

2. Care and Organization of Equipment

- All items used must be returned to their **correct location** at the end of your rental time (e.g., balls in the proper bins, cones stacked, totes back on shelves, etc.). The expectation is that equipment remains orderly and ready for the next group.
- If any item is **accidentally broken**, it must be placed outside the office door and reported.
- You may be asked to cover a **replacement fee** for damaged items.

3. Shared Responsibility

- We ask that you care for these supplies as if they were your own.
- This agreement exists so everyone who uses The Grove can continue to enjoy quality equipment in the gym.

Acknowledgment

I understand that use of the gym supply cupboard is an extra benefit of my rental. I agree to return all items to their proper place, keep the supplies organized, report any accidental damage, and accept responsibility for potential replacement costs if items are broken.
