

Use of a Source of Water By-Law

Resolution Number: 2025-08-11-210

Date: August 11th, 2025

Purpose

This by-law is enacted in accordance with Section 7 (1) (B) of the Towns and Local Service sources of water that are considered dangerous to public health.

Article 1: Declaration

1. Non-Condone and Non-Support: The Town Council of the Town of Gambo hereby declares that it does not condone the use, does not provide clear access, and does not maintain or test any unregulated water sources within the town limits.
2. Use at Own Risk: Residents and visitors who choose to use any unregulated water sources within the town limits do so at their own risk. The town disclaims any responsibility for any health issues that may arise from the use of any unregulated water sources within the town limits.

Article 2: Acknowledgements

1. Local Springs: The Council acknowledges the existence of local springs at the intersection of the TCH and J.R. Smallwood Blvd. and on Bayview Road. These springs are not maintained, monitored, or tested by the town, and its water quality is not guaranteed. Any resident who uses or consumes from this water supply is doing so at their own risk.

Article 3: Public Awareness

1. Warning Signage: Appropriate signage will be installed near the springs and at other strategic locations within the town, stating that the water source is not maintained by the town and is used at one's own risk.
2. Public Notices: The town will periodically issue notices reiterating the status of unregulated water sources and reminding the public to take necessary precautions when considering their use.

Article 4: Compliance and Enforcement

1. Observance of By-Law: All residents and visitors are required to comply with the terms of this by-law.

Article 5: Effective Date

1. Implementation: This by-law shall take effect immediately upon its approval by the Town Council of the Town of Gambo.
