Item: Review of Procurement of Commodities

The Public Procurement Agency reviewed the Town of Gambo's Procurement of Commodities from March 1st, 2024, to February 28th, 2025. The review noted five recommendations, including ensuring that open calls for bids have public openings, obtaining quotes from more than three vendors for limited calls for bids, and keeping information about how fair and reasonable prices are determined.

Item: Appointment of Assessment Review Commissioner

At a Regular Meeting of Council held on June 16th, 2025, Greg Rumbolt was appointed as Assessment Review Commissioner for the Town of Gambo for 2025 as per legislation and as stated in Section 32 of the Assessment Act, 2006.

Item: Climate Ready NL

S.A.M. in partnership with MNL is implementing the Climate Ready NL program. This program is focused on preparing municipalities for climate-related changes in their town and developing strategies to adapt to these changes. This program will require a Climate-Ready NL Kit at a cost of \$50.00 and a municipal time commitment of thirty person-hours. It was decided that Lorne, Town Clerk, would be one of the three designated participants and the Council participants would be determined after the General Election in October.

Item: Canadian Postmasters and Assistants Association

The CPAA sent correspondence requesting support to protect Canada's universal, public postal service. The requested support is to support the continuation of the 1994 moratorium on rural post office closures. More information can be found at www.cpaa-acmpa.ca.

Public Works:

Item: Development Regulation Amendment - Accessory Buildings

It was noted that Council had placed a public notice regarding a proposed amendment to the Development Regulations that would give Council discretionary authority to approve an accessory building on a separate lot from the lot containing the residential dwelling to which it is accessory.

The public notice expired with no representation received. The Municipal Planner had advised that another municipality was denied this amendment so; therefore, the proposed amendment would not receive approval.

The Municipal Planner has suggested that Council consider amending the Development Regulations to give Council discretionary authority to approve general purpose buildings on vacant lots in residential areas. It was decided to contact the resident to arrange a meeting to discuss this proposed amendment.

Item: Permit Application - 4 Park Road

An application was received for the construction of a garage to be located at 4 Park Road. The application is being considered a Discretionary Use as it includes a request for variance to allow the garage to be constructed in the front yard of the home. A Notice of Variance was sent to the neighbors within sixty metres of the proposed development with no representation received.

Resolution: 2025-08-11-205 (M. Paul & L. Moss) Be it resolved to approve the permit to construct a new garage in the front yard of the home at 4 Park Road, Gambo according to Regulation 36(7) of the Town of Gambo's Municipal Plan and Development Regulations.

Town Clerk's Report:

- I have submitted a claim to our insurers for the damage that occurred in the Chlorine House.
- The Assessment Appeal Hearing was held on July 21st, 2025. The decision is in correspondence.
- TDR Commercial Cleaning have commenced the two-year cleaning contract.
- An update on the capital projects:
 - Generator Project: The Issued for Approval Documents were sent to the Department for review on May 20th, 2025. Allnorth Consultants Ltd. followed up on June 24th, 2025, and the Department responded on June 26th, 2025, with comments. On July 31st, 2025, the Department followed up for an update and Allnorth responded, stating that the documents are not ready yet. Also, I have

- sent an email requesting a change order dated June 4th, 2025, to have the entire chlorine house fenced in if there are any remaining monies left in the contract.
- Water Intake Extension Project: The Department asked for an update from the contractor. On August 1st, 2025, GerGar Enterprises Ltd. responded, stating that they were currently on-site fusing pipes and were expected to start installation by August 5th, 2025. A Pre-Construction meeting was held on August 6th, 2025.
 - I received two emails earlier today from Newfoundland Power on the service requests for the lift stations at Marine Drive and the Treatment Plant.
 - The Project Amendment Request for the Lift Station Project 17-GI-24-00004 and 17-GI24-00093 have been approved. I have advised Allnorth Consultants Ltd. of this and have asked for a timeline for when the required documentation would be sent to the Department for review to proceed to tender.
 - January 5th, 2025, Storm Surge: A Limited Call for Consulting Services for the roads project under the Disaster Financial Assistance was issued on August 1st, 2025, with a closing date of August 8th, 2025. There has been an amendment issued so the closing date has been moved to August 13th, 2025. Further, the Limited Call for Consulting Services for the patio at the Smallwood Interpretation Centre has been awarded to Cecon Ltd. Based on discussions with Wilf Maloney, Regional Engineer, I have asked the realtor for the Smallwood Interpretation Centre to move the closing date of the sale to September 15th, 2025. I have not received confirmation in this request.
- The next Regular Meeting will be on September 8th, 2025.
