TERMS OF RENTAL

Insurance is mandatory and included in the cost of each rental. For all rentals, a credit card must be provided and an imprint taken. In the event of loss or damage exceeding \$1000, the member will be charged for the amount of the \$1000 insurance deductible. In the event that equipment is stolen from an unsupervised vehicle, the deductible increases to \$2500. The credit card information collected is only processed in the event of equipment loss or damage and can be used whether the charge amounts to the deductible or is less than the deductible.

By signing below, the Member understands that they are responsible for ensuring that there are no technical faults with the condition or operation of the equipment prior to removing the equipment from Gallery 44's office. When removed from Gallery 44's office it will be assumed that equipment is in working condition and is operating properly. Upon return, if any of the contents of rented equipment packages are damaged or unaccounted for, the Member may be charged for replacing it. In the event of a theft, the Member is responsible for filing a police report.
