SI-RTAC EVALUATION PARTNER

We believe
every individual
holds unique
capacities to impact
the betterment
of the world.

- CTI is a partner to **social justice focused** organizations to **increase outcomes and broaden impact** through applied research and evaluation
- We apply **partner-engaged, participatory approaches** to center the voices of underserved communities
- We promote **collaborative leadership** by building capacity among all partners to use evidence-based practices to advance **transformational and sustainable systems**
