

SHAPE WHAT'S NEXT

with the #1 Leadership Speaker

Change used to happen as a breeze. Now it feels like a Category-5 typhoon. Industry convergence. Talent scarcity. AI everywhere. I equip leaders with the tools and mindsets to stay ahead of disruption - no matter what.

Terence Mauri, one of the world's leading experts and most requested keynote speakers on the **future of leadership**, inspires and elevates teams to unlock the upside of disruption - a new frontier where we turn uncertainty into action and bring courage to every corner of the business.

Terence is the winner of the Fast Company Top 10 Disruption Thinker Award and Thinkers50, the global ranking authority of thought leaders has described him as "an influential and outspoken thinker on leadership, change and disruption."

Keynotes

- ➔ **1. LEAD WHAT'S NEXT**
Are you ready for tomorrow's world? Future readiness isn't a buzzword. It's about curiosity, daring and the humility to unlearn. How do we stay ahead of change - no matter what?
- ➔ **2. THE HUMAN EDGE**
Digital-first. Cloud-first. AI-first. When disruption is high, not taking a risk is a risk. How do we find the upside in disruption for unlearning, radical trust and courage?
- ➔ **3. FUTURE IQ**
Today's challenges can't be solved with yesterday's logic. How do we turn megatrends into milestones and prioritize strategic courage, team resilience, and light-speed agility?

**TODAY'S GROWTH CHALLENGES CAN'T BE
SOLVED WITH YESTERDAY'S THINKING**
