# VOTE PAUL HERMAN #5 ON YOUR BALLOT

As a local community leader, small businessowner, father of two BUSD students, and President of the Boys & Girls Club of Burbank, Paul Herman understands the challenges Burbank residents and families have faced as a result of closures and the negative economic impact of coronavirus.

Now, more than ever, we need trusted leaders who can hit the ground running and work collaboratively to strengthen our neighborhoods and communities now, and for future generations, by:

- ▶▶ **Helping to lead Burbank's recovery from the social and economic impacts of the pandemic**
- ▶▶ **Safeguarding Burbank essential services like fire, police, and programs for kids and seniors through fiscally responsible city budgeting**
- ▶▶ **Preserving our neighborhoods and ensure smart, measured growth like affordable senior housing for seniors**
- ▶▶ **Advocating for local schools, families, and kids during the pandemic and beyond**
- ▶▶ **Partnering with local businesses and community groups to ensure our neighborhoods and business corridors thrive**
