

Your key to investing in some of the world's most
innovative and disruptive pre-IPO companies

October 2025

DISCLAIMER

This document is for information purposes only and may contain forward-looking statements and information within the meaning of the Canadian provincial securities laws and other "forward looking statements" within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, Section 21E of the U.S. Securities Exchange Act of 1934, as amended, "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995 and in any applicable Canadian securities regulations.

Market and industry data used throughout this presentation has been obtained from third party sources, industry publications, and publicly available information. Stack Capital Group Inc. (the "Company") believes this market and economic data to be accurate, but there can be no assurance as to the accuracy or completeness thereof. The accuracy and completeness of the market and economic data used throughout this presentation is not guaranteed and the Company does not make any representation as to the accuracy of such information. Although the Company believes it to be reliable, it has not independently verified any of the data from third party sources referred to in this presentation or analyzed or verified the underlying studies or surveys relied upon or referred to by such sources, or ascertained the underlying economic and other assumptions relied upon by such sources.

Unless otherwise indicated or the context otherwise requires, all references in this presentation to "Stack", the "Company", "we", "our", "us" or similar terms refer to Stack Capital Group Inc. Unless otherwise indicated, all references to "\$" are to Canadian dollars and all references to "US\$" are to U.S. dollars. Capitalized terms used herein that are not otherwise defined have the meanings ascribed to such terms in the (final) prospectus of the Company dated June 9, 2021.

Forward-looking statements may include estimates, plans, expectations, opinions, forecasts, projections, guidance or other statements that are not statements of fact. Forward-looking statements can be identified by the use of words such as "growing", "target" and "expand" or variations of such words and phrases. Although the Company believes that such forward-looking statements and information are based upon reasonable assumptions and expectations, no assurance is given that such expectations will prove correct. The reader should not place undue reliance on forward-looking statements and information, as such statements and information involve both known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from anticipated future results, performance or achievement expressed or implied by such forward-looking statements and information. Except as required by law, the Company does not undertake an obligation to publicly update or revise any forward-looking statements or information, whether written or oral, that may be as a result of new information, future events or otherwise.

The continuous disclosure filings associated with Stack Capital Group Inc. can be found on SEDAR (www.sedar.com).

PROBLEM

**Most investors can't access some of
the world's most attractive private companies**

BARRIERS TO PARTICIPATION IN PRIVATE EQUITY

① **GETTING ACCESS TO OPPORTUNITIES IS DIFFICULT**

② **EVEN WHEN ACCESS IS FOUND, INVESTORS RUN INTO:**

ACCREDITED INVESTOR RULES

- Net assets of \$1+ million
(*excluding principal residence*)
- Earned income of \$200,000
(*individually*), or \$300,000
(*w/ spouse/partner*)

HIGH INVESTMENT MINIMUMS

- Amounts vary based on strategy, size, and target investor base
 - *HNW*: \$250K-\$1M+
 - *Institutions*: \$1M-\$5M+

LACK OF LIQUIDITY

- Regular redemption option does not typically exist
- Certain 'interval funds' offer quarterly, semi-annual, or annual liquidity (5% of AUM)

PRIVATE EQUITY HAS BECOME A CRITICAL DRIVER OF WEALTH CREATION

PUBLIC vs PRIVATE LANDSCAPE HAS CHANGED

PUBLIC COMPANIES

-41%

PRIVATE COMPANIES

+489%

Source: 2024 JPM annual shareholder letter

© 2025 Stack Capital

Private companies
enjoy ready
access to capital

Allows them
to stay private
longer

Creates significant
opportunities for
those with
exposure

PRIVATE COMPANIES ARE NOW LARGER AND MORE ESTABLISHED AT IPO

MARKET CAPS/REVENUES AT IPO

Sources: Company Filings, Public Disclosure, S&P Capital IQ, TD Securities Estimates.
Note: Figures in \$US. Market Cap based on IPO Listing Price. Averages are based on the above selected samples.

PRIVATE EQUITY

IPO AVERAGES	Recent IPOs	Legacy IPOs
Age of Firm	15 Years	2 Years
Market Cap	\$36.6B	\$600M
Revenue	\$3.8B	\$50M

Companies are staying private longer and are realizing more of their overall growth while private

SOLUTION

Stack has '*democratized*' access into growth and late-stage pre-IPO companies for all investors

ADVANTAGES OF BEING A PUBLIC COMPANY (TSX:STCK)

Eligibility

- Both accredited & non-accredited investors can own STCK
- Shares can be held across any type of investment account (*RRSP, RRIF, RESP, TFSA, and non-reg*)

Liquidity

- Shares can be bought/sold through the TSX, at any time
- Unlike traditional PE Funds/products, investors aren't locked-in for an indefinite period

Transparency

- As a public company, Stack is held to a higher standard of regulatory scrutiny and reporting requirements
- Quarterly review of underlying portfolio positions & valuations

Optimal Structure for Long-Term Growth

- Portfolio is not subject to redemption risk and/or forced selling
- STCK's investment time horizon aligns perfectly with each private business we invest into

KEY PILLARS OF STACK

Access to growth & late-stage private equity opportunities

Experienced leadership

Liquidity, through a TSX listing

Diversified / risk-adjusted investment approach

Active investment management

Alignment of Interests

STACK'S COMPETITIVE ADVANTAGE

Permanent Capital	• No 'fund life' eliminates the risk of forced selling • Dealing with an 'evergreen' structure is the preferred choice of issuers
Established Network	• Experienced and well-connected Management Team, Board and Advisory Board • Informational advantage offers the potential for alpha generation
'Value-Add' Investor	• Be more than just a 'cheque-writer' • Share our capital markets & IPO experience with management teams • Constructively assist in the growth of our portfolio companies, whenever possible • Perform due diligence and execute transactions with speed and efficiency

Private market success requires a differentiated set of skills to drive value

ACCESSING PRIVATE COMPANIES

PRIMARY TRANSACTIONS

- **Capital going directly to balance sheet of the company**
 - Raising additional funds in another round
 - Tender offer to give liquidity to employees
- **Benefit from follow-on rights and/or liquidity events**
- **Gain valuable access to company financials and data rooms**

SECONDARY TRANSACTIONS

- **Exploiting liquidity-driven opportunities**
 - Individuals who need capital for personal reasons
 - VC/PE funds that have come to end of life
 - Founders/Angels exit in preparation of their next venture
- **Capitalize on inefficient markets**
- **Access to information is critical**

Stack continues to build-out relationships to enhance access to deal flow

INVESTMENT "SWEET SPOT"

START UP FINANCING CYCLE

'BUYING 'RIGHT' IS A KEY COMPONENT OF OUR INVESTMENT APPROACH

Target businesses that offer **margin of safety**:

- Strong relative growth rates
- Strong balance sheets
- Experienced management
- Attractive valuation vs peers

TARGETING PREFERRED EQUITY PROVIDES RISK-ADJUSTED EXPOSURE

ILLUSTRATIVE EXAMPLE

BENEFITS OF OWNING THE LAST 1-2 ROUNDS OF PREFERRED EQUITY

- Last-in, first-out privilege on liquidation
- Senior to previously issued series of preferred equity *and* common equity

Stack will selectively invest across various components of the capital structure:

- Preferred Equity
- Common Equity
- Convertible Debt
- Other
