

PARISH CENSUS

Church of St. Dominic

To better serve you and your family, we are asking for your help with an important task: filling out our parish census. By completing the census, you're helping us keep track of our parish's needs and make sure no one is ever overlooked.

There are two options for filling out the census, **and each family needs to fill out only ONE form either online OR a paper copy.**

Option 1: Fill out the census via the link emailed to you on Monday, 10/13.

- One adult per household will receive the email. The email will come from "OSV Hub" with the subject line "Verify Your Information," and will be sent to the email listed as the "family email" on your profile. If you do not receive one, please check your spouse's email!
- The link is active for 14 days.
- Please make sure to click the drop-down arrow next to "Additional Information" on each page to opt in or out of our St. Dominic emails.
- While we do want record of whether or not you have completed each of the sacraments, dates and locations are optional.
- Once you have submitted this electronically, there is nothing else for you to do!

Option 2: Fill out a green parish census form and return it to St. Dominic.

- Census forms can be found at all church entrances, at the rectory, and online.
- Please return forms in the collection baskets, to the rectory, or to census@stdominicchurch.net.

Remember, each family only needs to fill out one census, and you can choose to do it online or on paper.

Thank you for your participation!

FAQS

WHY ARE WE DOING THIS?

It has been 10 years since our last census, and having accurate, up-to-date registration is more important than ever. These records help us serve you better—and they also assist the diocese in discussions around parish activities. Your participation directly impacts the future of our parish community.

I'M NOT COMPUTER-SAVVY, HELP!

Just fill out a green census form and return it in person or to census@stdominicchurch.net.

WHAT IF I DON'T RECEIVE AN EMAIL?

The email will be sent to the email on file as the "family email." If you do not receive one, please check your spam folder as well as your spouse's email account(s). **We are unable to change the email that receives the request; it is automated through our parish data management software.**

If no one in your family receives the email, we ask that you fill out one of the paper census forms and return it to the rectory or census@stdominicchurch.net.

WHAT IF I STILL NEED MORE HELP?

Some situations (divorce, adult children moving away, or a death in the family) may bring up additional questions. Please feel free to contact us directly. Please note: when someone has died, we acknowledge their name with a cross in our database. Deceased family members are still included in your family profile and identified with a cross.
