

Immigration Awareness Workshop

Understanding Birthright Citizenship and Immigration Law

Sunday, October 4, 2026

12:15 PM - 1:15 PM

Large Meeting Room

Hosted by LUPA (Learning, Understanding, Proximity and Action committee of the Racial Equity Task Force), this workshop will offer a clear, non-partisan overview of U.S. immigration law and birthright citizenship. The goal is to help parishioners better understand the legal framework while reflecting on how our Catholic faith invites us to consider the question, “**who is my neighbor?**”

To RSVP, use the QR code, visit <https://tinyurl.com/UBCIL> or contact Gaile in the rectory at 216-991-1444.

Featured speaker, Margaret W. Wong, is a St. Dominic parishioner and an award-winning practicing immigration lawyer. She has spent over 40 years in immigration and nationality law and legal practice management.
