A program of JFS Houston

Harvest Happiness

WHAT IT IS:

Transitions All Year is available to students with a cognitive disability aged 14-22.

WHAT WE DO:

Participants will get hand-on experience in pre-vocational and vocational skills, with emphases on teamwork, professional communication, and creative personal expression. They will fashion both visual and culinary art while enhancing their life skills, social skills, and advocacy skills in a safe and friendly environment.

WHERE WE GO:

Participants will explore community service opportunities with hands-on activities around the Houston area.

WHAT WE CREATE:

Participants will have opportunities in our kitchen as well as being exposed to various creative outlets such as photography, glass fusion and painting.
