

STIIX Grade Band Recommendations + Pricing

Although the open-ended design nature of the majority of STIIX's projects open them up to a wide age range, we do have some recommendations based on required motor skills, instructional material, and standards alignment.

The indicated cost is for a classroom bin serving between 15-45 students depending if they are working individually or working in teams.

	 Rocket	 Bridge	 Wind Turb.	 Glider	 Prosth.	 Catapult	 Boat	 Water Syst.	 Solar	 Tower
K-2	✖					✖	✖	✖
