

Strengthening Access to Justice: LGSI Receives Louisiana Bar Foundation Support

Metairie, LA — [June 2025]. Louisiana Guardianship Services, Inc. (LGSI) is proud to announce that it has received grant funding from the **Louisiana Bar Foundation (LBF)** under its *Other Legal Services* category for FY 2026. This grant supports LGSI's mission to provide essential legal and guardianship services to vulnerable adults across the state of Louisiana.

The Louisiana Bar Foundation is the largest funder of civil legal aid in the state, promoting access to justice for all by supporting programs that serve Louisiana's most underserved citizens.

Through its annual grantmaking, the LBF helps ensure that individuals who cannot afford legal representation still have access to critical legal assistance, advocacy, and protection.

Funding from this grant allows LGSI's attorneys and staff to continue providing direct legal representation, court compliance support, and oversight for interdicted adults who have no one else to advocate for their rights and welfare. LBF's support helps sustain essential legal functions such as filing court reports, responding to urgent client matters, and coordinating with courts throughout Louisiana.

"The Louisiana Bar Foundation's investment strengthens our capacity to protect the rights and dignity of some of the state's most vulnerable residents," said Jason D. Asbill, Executive Director of LGSI. "With this support, our legal team can continue ensuring that every client under guardianship receives the advocacy and legal protection they deserve."

This funding will have a direct impact on LGSI's ability to respond to increasing demand for guardianship services, maintain compliance with statutory requirements, and expand access to justice for individuals who might otherwise go unrepresented.
