Holidays, Absences, and Session Credits

You do not lose sessions for holidays. Session credits just roll over! For example, 4 sessions would take 5 weeks to go through with one session/week missed. We kindly ask for a 24-hour notice (or more!) if your child won't be able to attend a session. Each lesson is thoughtfully planned with your student in mind, and early notice really helps our small team stay prepared and flexible. No-24hour-notice absences are billed as a session.
