Spring weekly classes end May 9th! Weekly classes resume in late August! To save a seat for Fall, students need 4+ sessions in credit.

Miss a class?

Make up by scheduling an open-seat during our individualized classes OR catch up next session! *No-24hr-notice absences are billed as a session, please text or email us 24-hrs+ in advance!*

Trying to match with a sibling?

We'll do our best to find a slot that overlaps with siblings with synced start or end times! If you have two ES/JS students, we recommend slots that are TK - 3rd.

FAQs

- What is the class format?** We offer multiple courses in Early STEM and Junior STEM. Students work 1:1 with tech and move through each course at their own pace or in small groups with the guidance of an instructor.
- Class size?** 7 student max capacity with a 1:5 max instructor to student ratio in ES/JS classroom.
- Which class is my child in during their time slot?** See your student's progress tracker and talk to our team! Main 2025-2026 courses listed to the left!
