Miss a class?

Make up by scheduling an open-seat during our individualized classes OR catch up next session! **No-24hr-notice absences are billed as a session, please text or email us 24-hrs+ in advance!**

Trying to match with a sibling?

We'll do our best to find a slot that overlaps with siblings with synced start or end times! If you have two ES/JS students, we recommend slots that are TK - 3rd.

FAQs

- **What is the class format?** We offer multiple courses in Early STEM and Junior STEM. Students work 1:1 with tech and move through each course at their own pace or in small groups with the guidance of an instructor.
- **Class size?** 8 student max capacity with a 1:5 max instructor to student ratio in ES/JS classroom.
- **Which class is my child in during their time slot?** See your student's progress tracker and talk to our team! Main 2025-2026 courses listed to the left!
