

WIBG TRAVEL GROUP WINE AND WATERFALLS SEPTEMBER 8-12, 2025

Travel with your friends at WIBG to New York's beautiful Finger Lakes region. Trip highlights include a visit to Watkins Glen State Park, home of the most incredible gorges in the region. We will also take a boat ride out onto Seneca Lake, and enjoy a fantastic lunch onboard.

We will visit the Cornell University Botanical Gardens, the Corning Glass Museum, where you can etch your own wine glass. Plus, a visit to the famous McKenzie Childs Headquarters Store in Aurora on the shores of Cayuga Lake, plus time to explore the famous Ithaca Commons, adjacent to our hotel. Three wineries and three waterfalls, and lots of fun. This is a trip you will long remember!
