Except as otherwise specifically provided, all rates and charges set forth in this tariff will be subject to an increase of 5.75% as follows: (See NOTES 1,2,3,4,5 and6)

ITEM
NO.

10

First determine the rate or charge which would apply except for this Supplement, then increase the rate or charge so determined as provided in this Supplement.

NOTE 1: Increases published in this Supplement will also apply to rates and charges issued subsequent to this Supplement, made subject to this Supplement, effective on date provided therein.

NOTE 2: Where a through rate is made by combining two or more factors, each is increased separately under the provisions of this item and the applicable through rate is the total of the combined factors.

NOTE 3: Where rates or charges are published in dollars and cents, apply the equivalent in cents.

NOTE 4: To determine a rate or charge increased under this Supplement, first determine the applicable rate or charge, then increase that rate or charge by 5.75%. To arrive at such increased rate or charge, multiply rate or charge by 1.0575. Fractions of less than ½ cent will be dropped. Fractions of ½ cent or more will be increased to the next whole cent.

NOTE 5: Rates made by addition or deduction of arbitraries:

Where a through rate for line-haul transportation is made by addition or deduction of an arbitrary, the provisions of this Supplement shall first be applied to the rate and to the arbitrary before the addition or deduction of such arbitrary is made.

NOTE 6: Reference to Tariffs, Items, Notes, Rules, etc.

Where reference is made in the supplement to Tariffs, Items, Notes, Rules, etc., it is understood that such reference is continuous and includes supplements to or successive issues of such tariff and subsequent issues of such Items, Notes, Rules, etc.

All provisions of this supplement expire with November 7, 2026.

APPLICATION OF RATES

160

A. General:

Rates named in this tariff apply only on shipments having a prior or subsequent non-domestic movement.

The rates named herein are applicable subject to the special rules and conditions of this tariff and to the conditions of the carrier's shipping receipts and straight bill of lading. All charges payable in United States of America currency.

Rates named herein include all costs of loading and unloading carrier's vessel, including wharfage and handling at Tacoma, Washington or Anchorage, Alaska.

Rates and/or charges named herein include pick-up and/or delivery service, subject to arbitraries named in Item 342 and Item 750 of STB TOTE 100 Series tariff.

Rates named herein from or to Tacoma, Washington will only apply from or to the carrier's scheduled port of call.

B. Exempt Commodities:

Certain commodity rates named in this tariff are not regulated by the Surface Transportation Board, as set forth in 49 U.S.C. 10526 and further defined in 49 CFR 1047.25, including ordinary livestock, fish and used empty shipping containers. These rates are published in this tariff for informational purposes only, however, charges named in this tariff are offered to the shipper along with the applicable rules and notations.

Acceptance by the shipper of this offer will constitute the terms and conditions for movement of commodities exempt from regulation by the Surface Transportation Board.

- C. Proportional Commodity Rates: (Section 2 and Section 3) Proportional Commodity Rates named in Section 2 and Section 3 set forth the proportional rate between Tacoma, WA and points in Alaska for service between points outside the United States, and points in Alaska under provisions of transshipment agreements listed in Item 978 and are published in this tariff for informational purposes only. For through commodity rates named between points outside of the United States and points in Alaska refer to tariffs filed by or participated in by individual carriers named in this tariff, or in the conference tariff of which they are a member, if applicable.

PAYMENT OF CHARGES – TERMS

720

If credit has not been approved by Carrier's Credit Department, payment is due prior to release of freight at destination by Carrier. All payments must be tendered to carrier by the use of U.S. currency (cash), cashier's check, certified check, or bank wire transfer, but not by means of a personal or company check.

If credit has been approved by Carrier's Credit Department, payment must be received by Carrier within fifteen (15) calendar days from the date the freight sails from the port of origin. Upon approval by Carrier's Credit Department, this credit period may be extended to thirty (30) calendar days; and payments due must be received no later than 30 days from the date the freight sails from the port of origin.

Should carrier prevail in arbitration, litigation or other dispute resolution process the party that is liable for the freight and other lawful charges (e.g. consignor, consignee or beneficial owner) shall be liable for, and shall pay the carrier, all reasonable attorney's fees and costs incurred by the carrier for any action that must be taken by the carrier to collect the freight and other charges.

A returned check fee of one hundred dollars (\$100) per check returned by the applicable financial institution due to non-sufficient funds, closed count notifications and/or stop payment.

NORTHBOUND PROPORTIONAL COMMODITY RATES
RATES IN DOLLARS PER TRAILER OR CONTAINER ON CHASSIS

COMMODITY

FROM: TACOMA, WASHINGTON
TO: ANCHORAGE, ALASKA

ITEM
NO.Item 1240 Provisions:

NOTE 4: VALUATION, RATES CONDITIONED ON:

- A. Rates published in this Item are based on a released value not exceeding 10 cents per pound (NMFC 100240 Sub. 1).
The release, which shall be deemed to relate to each article separately and not to the shipment as a whole, must be entered on the shipping order and bill of lading as specified in the Governing Classification.
- B. Should the shipper choose to ship at a released value exceeding 10 cents per pound, such value must be entered on the shipping order and bill of lading as specified in paragraph A, and will be subject to the following provisions:

RELEASE VALUE	PERCENT OF RATE TO BE APPLIED
Exceeding 10 cents but not exceeding 20 cents per pound	125%
Exceeding 20 cents but not exceeding 50 cents per pound	150%
Exceeding 50 cents but not exceeding \$2.00 per pound	200%
Exceeding \$2.00 but not exceeding \$5.00 per pound	300%

(Application - multiply the applicable tariff rate for the shipment which would apply at and not exceeding 10 cents per pound by the percentage given to obtain the rate to be charged for such higher released value.)

- C. If shipper fails to state a released value on the shipping order or bill of lading, or designates a value exceeding \$5.00 per pound, shipment will not be accepted, but if shipment is inadvertently accepted, it will be considered as being released at the lowest valuation provided and shipment will move and be charged for, on the basis of such limitation of liability.

Rates in this section apply only to participating connecting ocean carriers; and apply only when cargo is destined to non-domestic points.

Except as otherwise provided in individual items, rates named in this section are subject to all rules and regulations contained in STB TOTE 100 series tariff.

Rates named in this section include drayage between place of vessel's berth (Anchorage, Alaska) and origin points within the Anchorage, Alaska Commercial Zone, as provided in STB TOTE 100 Series Tariff Item 750. For shipments originating at points in Alaska beyond Anchorage, Alaska Commercial Zone, refer to Item 342 of Tariff STB TOTE 100 series.
