

EMPLOYEE RETENTION CREDIT (ERC)

REFUND OF UP TO \$26,000 PER W-2 EMPLOYEE

RESTAURANT OWNERS

IF YOU HAVE A DINING ROOM, WERE IMPACTED BY COVID RESTRICTIONS, AND HAVE W2 EMPLOYEES YOU ARE LIKELY ELIGIBLE TO RECIEVE ERC.

If your business was affected by a mandated full or partial suspension of operations then you most likely qualify for the ERC.

This includes any actual closures, as well as restrictions on hours or capacity. It is important to note that this provision may also extend to suppliers of the business. If the facts and circumstances indicate that the business's operations were/are fully or partially suspended as a result of the inability to obtain critical goods or materials from its suppliers because they were required to suspend operations, then the business may be considered an eligible employer for calendar quarters during which its operations are fully or partially suspended and may be eligible to receive the employee retention credit.

Our comprehensive analysis of each client's situation includes a consideration of all facts and circumstances related to any suppliers.
