BMAC BUILDING
THRIVING
COMMUNITIES

APRIL 1, 2024 TO MARCH 31, 2025

DEAR FRIENDS,

As our region's Community Action Agency, Blue Mountain Action Council (BMAC) builds thriving communities across Garfield, Columbia, and Walla Walla counties. We are a trusted, accountable community partner and local problem solver, and we are proud to share our results with you.

This year's Annual Impact Report highlights what's possible when we come together. Guided by our three pillars—Nourish, Shelter, and Thrive—we provide access to healthy food, safe and affordable housing, and tools that create hope and opportunity.

With your support, our talented team assists individuals and families to move from crisis to stability to thriving—fostering self-sufficiency and enhancing quality of life. We provide a hand up so people can help themselves and each other.

I'm deeply grateful for the many ways you continue to show up for our neighbors. Thank you for joining us in this essential work.

Sincerely,

Danielle Garbe Reser
