

BMAC:

Building Thriving Communities

OUR MISSION

BMAC builds thriving communities with:

FOOD - *Healthy Food for Every Table:*

We provide food to local students, seniors, and pantry partners through our regional food bank, deliver nutrition education, and partner with local farmers and grocers.

HOUSING - *Stable Homes for Every Person:*

We help our neighbors find and maintain safe housing through rental assistance, affordable housing, home repairs, energy assistance and weatherization.

HOPE - *Pathways and Tools for Every Step:*

We offer tools and coaching for job training, finances, advocacy, legal support, early learning resources, and community service navigation.

OUR VISION & VALUES

BMAC envisions just and inclusive communities where all people thrive.

HOPE

We believe that a better future is attainable.

INTEGRITY

We are accountable and strive for excellence in our work.

COMPASSION

We respond with care and kindness and treat everyone with dignity and respect.

COLLABORATION

We believe we are stronger when we work together.

COMMUNITY

We care about the entire community, and we are dedicated to helping people help themselves and each other.

OUR STRATEGIC INITIATIVES & GOALS

Ensure BMAC Thrives Internally

- Invest in BMAC staff
- Strengthen compliance systems
- Grow a resiliency fund of unrestricted revenue
- Maintain and expand facilities
- Use technology to remove barriers and support efficient performance

Create Unified, Participant-Centered Programs

- Have a single intake/welcome process
- Utilize a crisis-to-thriving model to track process
- Create a unified BMAC goal-setting program
- Establish avenues for participant feedback
- Identify and train on best practices in case management, learning from all teams

Build Sustainable Prevention & Wellness Solutions

- Expand affordable housing opportunities
- Grow a sustainable, unified volunteer program
- Promote regional economic development for family-wage jobs
- Screen for health indicators and strengthen health referrals

Establish & Cultivate Strategic Partnerships

- Create a standardized MOU process
- Map pathways for referrals to community partners
- Explore and establish new, mutually beneficial partnerships
