

ATF CVT EU-US

Automatic Transmission Oil

No. 310046

ATF CVT EU-US is a fully synthetic automatic transmission oil for CVT (Continuously Variable Transmission) transmissions. Specially for European and American vehicles. For example, for Autotronic transmissions of the Mercedes Benz A and B-Class and Audi Multitronic transmissions.

Typical Values			Advantages
Color	transparent		- high-wear protection - very low friction losses - optimum transmission cleanliness - long oil changing intervals - improved fuel efficiency
Density at 15°C	g/ml	0,848	
Pourpoint	°C	<-45	
Viscosity at 40 °C	mm²/s	34	
Viscosity at 100 °C	mm²/s	7,0	
Viscosity Index		170	

Specification

Audi Multitronic; VW/Audi TL 52516 (G052 516), 52180 (G052 180);
BMW CVT EZL 799, CVT EZL 799A, CVT V1; Mercedes 236.20 CVT, A001 989 4603;
Mini Cooper EZL 799;
Punch CVTF EZL 799/EZL 799A, CVT-PPT, CVT-EX1;
Chrysler/Dodge/Jeep NS-II, CVTF+4;
Ford CFT 23, M2C 928-A, Mercon C, XT-7-QCFT, M2C 933-A, CFT30;
GM/Saturn Dex-CVT, 22688912; GM CVTF I-Green 2, AC Delco CVT Fluid 19260800,
Dex HP CVTF; Fiat 9.55550 AG4, CVT 75W-80/Tutela CVT NG;
Renault Matic CVT FK/CK/DK, ELFMATIC CVT
