

MIB AGENTS

OutSmarting OSTEOSARCOMA

Funding Meaningful Osteosarcoma Research Together

Since 2017, the **OutSmarting Osteosarcoma** annual research grant program has supported **32 investigators** and awarded **\$2,500,000** to support osteosarcoma research.

CAREER DEVELOPMENT SUPPORT

\$50,000 grant over one year to support young investigators studying osteosarcoma

LATE STAGE TRANSLATIONAL STUDIES

\$100,000 grant over one year to any investigator with a study that will focus on late-stage translational studies

FUNDING COLLABORATIONS

Partners with foundations focused on fundraising for osteosarcoma or pediatric cancer research, but do not have a research grant program

ROBUST REVIEW PROCESS

Our two tier-review process consists of independent peer review and stakeholder review that uniquely incorporates patient and family perspective

FAMILY FUNDS SUPPORTING SCIENCE

Collaboration among the scientific and patient community is a key hallmark of MIB Agents

OUTSMARTING BY THE NUMBERS

32
investigators

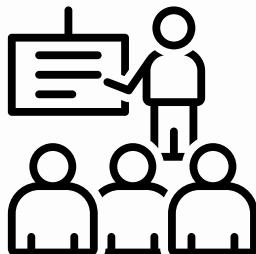

\$2,500,000
awarded since 2017

17
funding collaborations

OUTSMARTING OSTEOSARCOMA RESEARCH HAS LED TO:

25
publications
shared in public
domain

200
presentations
shared with the
scientific
community

\$28.5 million
secured in
funding

8
clinical
trials

Funding Meaningful Osteosarcoma Research Together

Grant Recipients

2025

Alexander Davies, DVM, PhD Oregon Health & Science University
Knight Cancer
Amy LeBlanc, DVM National Cancer Institute
Corey Weistuch, PhD Memorial Sloan Kettering Cancer Center
David Ulmert, MD, PhD University of California, Los Angeles
Aafrin M. Pettiwala, PhD University of California, San Francisco
Ali Cihan, PhD Memorial Sloan Kettering Cancer Center
Andrew S. Clugston, PhD University of California, San Francisco
Janeala Morsby, PhD St. Jude Children's Research Hospital
Joseph Skeate, PhD University of Minnesota
Ram Rao, MD, PhD Seattle Children's Research Institute

2024

Shahana S. Mahajan, PhD Hunter College, CUNY
Chris Richards, PhD University of Kentucky
Arianexys Aquino-López, MD, PhD Baylor College of Medicine
Chelsey Burke, MD Memorial Sloan Kettering Cancer Center
Betsy Young, MD UCSF

2023

Ryan D. Roberts, MD, PhD Nationwide Children's Hospital
Shahab Asgharzadeh, MD Children's Hospital Los Angeles
Sam Volchenboum, MD, PhD University of Chicago
Heather Gardner, DVM, PhD, DACVIM (Oncology) Tufts University
Amanda Marinoff, MD University of California, San Francisco
Marta Roman Moreno, PhD University of California, San Francisco

2022

Michael Leibowitz, MD, PhD University of Colorado/Children's Hospital Colorado
Dan Regan, DVM, PhD Colorado State University
Jason Yustein, MD, PhD Emory University
Kristen VanHeyst, DO UH Rainbow Babies and Children's Hospital
John Ligon, MD University of Florida
Eunice Lopez-Fuentes, PhD University of California, San Francisco

2021

Kurt Weiss, MD University of Pittsburgh School of Medicine

2020

J. Andrew Livingston, MD University of Texas MD Anderson Cancer Center

2019

Alex Y. Huang, MD, PhD Case Western Reserve University / Angie Fowler AYA Cancer Institute Initiative

2018

Matteo Trucco, MD Cleveland Clinic

2017

Joshua Schiffman, MD University of Utah
