In Addition

An FOIA request of the MHRA [Yellow card reports for Vaxrevria - a Freedom of Information request to Medicines and Healthcare Products Regulatory Agency - WhatDoTheyKnow](#) revealed all UK spontaneous suspected reports associated with Cardiac Disorders SOC received between 01/02/2021 and 01/01/2024 [Cardiac disorders SOC.pdf](#)

At the end of 2021 there was a total of 46,623 cases of cardiac disorder following the AZ vaccine. Between 2021 and end 2023 there were 48,472 such yellow cards of Cardiac Disorders SOC

- Please confirm that you were aware of these figures as they were gathered by the MHRA. If not, why not?
