**PROCEEDINGS OF THE MOTT ZONING BOARD**  
**June 9, 2025**

The Board met for their monthly scheduled meeting on Monday, June 9, 2025. Present were Board members Steiner, Treichel, K. Messmer, Johnson, J. Messmer, and Wangsvick. Troy Mosbrucker, Luann Dart, Devin Olson and Brian Steinke were also present. All motions are carried, unless otherwise stated.

Wangsvick called the meeting to order.

J. Messmer moved and Treichel seconded the approval of the May 2025 minutes.

Steiner moved and Johnson seconded the following building permits:

- Slope Hettinger Soil Conservation – Cement Slab
- Glen Schaible – Shed

There was an issue brought up to the Board. Back in November, a resident put in an application for a shed, which was approved. The issue is that what was put in was not a shed but an enclosed metal container. These containers, per our zoning ordinances, are not permitted within the corporate city limits of Mott. A letter to the individual will be going out asking that the container be removed.

J. Messmer moved and Johnson seconded adjourning the meeting.
