

Wellington Earthquake Resilience Collaboratory

Wednesday, 5th November 2025

Agenda

Wellington Earthquake Resilience Collaboratory Wednesday, 5 th November 2025		
AGENDA		
8:45 am	Tea and Coffee on arrival	
9:00-9:05	Welcome and Introduction	Nicola Litchfield, Natalie Balfour
	Chair: Natalie Balfour	
9:05-9:25	It's Our Fault programme update	Nicola Litchfield
9:25-9:45	QuakeCoRE update (physical science)	Tom Robinson
9:45-10:05	The variability of seismic impacts: towards hazard agnostic capacity building in the GWR	Julia Harvey
10:05-10:25	QuakeCoRE (social science) and JCDR update	Julia Becker
10:25-10:40	Hono update	Hinemoa Katene, Simon Lambert
10:40-11:00	BREAK	
	Chair: Julia Becker	
11:00-11:30	Earthquake-prone buildings	Ken Elwood
11:30-11:40	Multi-disciplinary scenarios	Ken Elwood
11:40-12:00	RCET-NEW Endeavour programme: Intro + Tsunami Early Warning	Anna Kaiser
12:00-12:20	RCET-NEW: Earthquake early warning	Jen Andrews
12:20-1:00 pm	LUNCH	
	Chair: Nicola Litchfield	
1:00-1:15	Natural Hazards and Resilience Platform update	Richard Smith
1:15-1:35	New geophysical data on the shape and depth of the Wellington basin: implications for shaking hazard	Tim Stern
1:35-1:55	Ngā Ngaru Wakapuke programme update	Jamie Howarth
1:55-2:15	Culturally and linguistically diverse communities	Manomita Das
2:15-2:35	Seismic Resilience of Residential Houses	Angela Liu
2:35-2:55	Alpine Fault ground shaking in Wellington	Brendon Bradley
2:55-3:00 pm	Wrap up and farewell	Nicola Litchfield, Natalie Balfour
