

How to register to testify?

Use the Legislature's Committee Sign-In program!

You can use a web-enabled device to go to <https://app.leg.wa.gov/csi> or use one of the sign-in kiosks located on the Capitol Campus.

Updates for 2023:

More Testimony Options - You now can testify either in person or remotely. All testifiers are automatically registered for Zoom and will receive a link in case their plans change.

Longer Registration Period – Registration is no longer limited to the day of the hearing. You may now register as soon as a bill is scheduled for public hearing until 1 hour before the meeting is scheduled to begin (you will not be able to register after this deadline has passed).

Easier to Register – Registration locations are no longer limited to the Capitol Campus. You may now register to testify from any location, even from home.

Easier to Submit Written Testimony – You may submit written testimony online from the time a bill is scheduled until up to 24 hours after the start of the hearing (committees are paperless and hand-outs are no longer accepted).
