## In Loving Memory Of Grandpa

With working hands and a giving heart,  
You showed us how a good life starts.  
Through honest labor, day by day,  
You paved our paths in quiet ways.  
A legacy untouched by fear.  
Man of peace, just always there.  
In whispered winds his voice remains,  
Nurturing hope beyond life's pains.  
  
Grace lives on where memories stir,  
He walks with us; we still confer.

Your love was steady, warm, and true,  
Your kindness shown in all you'd do.  
Though now you rest, your lessons stay,  
Guiding us still along our way.  
Rest now, Grandpa, peaceful and free,  
Your love remains-our legacy.
