

It is with heavy hearts and profound sadness that we announce the sudden passing on February 27, 2026, in Phoenix, AZ.

Pam Beck Ullyett, a beloved wife, mother, grandmother, sister, and friend, left this world unexpectedly with her family by her side. Pam was born on February 4, 1960, in Sheridan, Wyoming, and it is here that she began a life filled with love, laughter, and an unyielding devotion to those she cherished most.

Pam's journey was deeply rooted in the values and warmth instilled by her late grandmother, great grandmother, mother, and adored brother. Surviving her is her devoted husband, Shaun, Her children, Chris and his wife Imelda Bell, and Brandi with her FAVORITE son in law Dj Oster, along with her son Cody Bell, who continue to carry forward her legacy of love and compassion. Her sister, Gina Beck, grandchildren and great-grandchildren, aunts, cousins, nieces, nephews, and a circle of dear friends mourn her loss and celebrate her remarkable life.

Pam attended Sheridan College, where her passion for caring for others blossomed into a career as a Registered Nurse. Her dedication and leadership quickly earned her the role of Director of Nurses, a position she held with pride and commitment. Pam's nurturing spirit extended beyond her professional life; she was a beacon of support, always willing to lend a helping hand or a comforting word to anyone in need. Her generosity knew no bounds, she would have given the shirt off her back if it meant easing someone else's burden.

Those who knew Pam will remember her for her smile and contagious laughter. She was a sports enthusiast, with a particular fondness for her cherished Denver Broncos and Colorado Avalanche. Although I'd like to say her family came 1st, we have to be honest... whom she affectionately referred to as "her people" knew differently! She adored all cultures and relished the opportunity to learn and explore new ideas, often finding joy in a good book and the pursuit of knowledge. Pam's heart overflowed with love for her grandchildren and great-grandchildren, always eager to receive their latest pictures or videos. Her favorite saying, "Oh geez," was a testament to her playful spirit and ability to find joy in the simplest moments.

Pam Beck Ullyett leaves behind a legacy of love, kindness, and an indomitable spirit that will forever be cherished by those whose lives she touched. Her memory will live on in the hearts of her family and friends, and in the countless acts of kindness she bestowed upon the world.

THE LADY EAGLE

Lady Eagle we are going to miss you
As your life's long journey has reached an end.
We have lost a wife, a mother,
A grandmother and a friend.

You are like the lady eagle
Who has soared thru life's long test,
You have taken a mate, raised a family
And watched them leave your nest.

You have lived your life upon the land
And loved it with all your heart,
We will miss your cheerful presence
But now it's time for us to part.

Lady Eagle you are free now
And can spread your wings once more
Your maker has called you home to Him
And you can soar thru Heaven's door.

And every time we see an eagle
As it glides on air so high above,
We will know that you are watching over us
And all of those you love,

Your love and laughter will be missed but not forgotten
By all of your family and friends.
So Lady Eagle spread your wings now,
And like your ashes go dance upon the winds.

Inurnment will take place in the Sheridan Municipal Cemetery.
