

Jesus said that the Kingdom Of God is within us.
The Buddha said that we all have a Buddha
(Enlightened One) within us.

Our lives are like a wave that forms
on the surface of a great ocean of creation
and Potentiality.

This wave continues for a time its lifetime - and then returns
to that Potentiality from which it came.

Honoring The Life Of Judith Ott Vandenberg

My sister, Judith O. Vandenberg, peacefully passed away on Thursday, December 11, 2025, at the age of 79. She was graduated from Hiram College with a BA in Art History. A visual artist, she was good at painting, and applied her miniatures to small wooden jewelry boxes and other objects. She was also skilled at knitting, crochet, and sewing. She made beautiful, artfully-designed cushion covers, for example, and warm sweaters. She liked to think deeply, rather than broadly, about her work and other subjects. Judy was also a kind person, and courageous in dealing with a difficult life.
