Rules

- Contestants must make a selection in each available contest, meaning all six races at Saratoga Race Course, all spread markets, and all game totals
- Entries will be graded by the scoring rules identified below and found on the Contest Page
 - Races: 3 Points for Winner (1st) | 2 Points for Place (2nd) | 1 Point for Show (3rd)
 - Total available points: 18 points (Winner in all 6 races)
 - Games: 5 Points for each correct selection
 - Total available points: 30 points (Winner in all six selections)
- In the case of a tie at any prize-winning place (First (1), Second (2), and Third (3)), ties will be broken via the following tie-breakers
 - Tie-Breaker 1: The contestant with the highest total Win-Place-Show payout in any singular eligible race selection will win the tie
 - Win-Place-Show payouts will be based on a \$2 bet with payouts identified by Saratoga Race Course once a race goes official
 - For example, if Contestant 1 made a pick in any race that paid \$20 for a \$2 Win-Place-Show bet and Contestant 2 made a pick in any race that paid \$24, then Contestant 2 would win the tie and Contestant 1 would be moved down one placement in the standings
 - Tie-Breaker 2: In the case that the two highest Win-Place-Show payouts are identical between two tied contestants, the total hypothetical winnings for \$2

Win-Place-Show bets will be added up for all of the players' selections and the higher of the two totals will be deemed the winner of the tie
