OVERLAND

Meet Bryce and Molly!

Bryce and Molly are missionaries in Southern Democratic Republic of the Congo, functioning as the first introduction to Jesus in rural communities and to unreached people groups. In a country covered in chaos, the Congolese people are displaced, mistreated, and undervalued by the world. The physical and spiritual violence against them can only be outdone by the love of Christ. The Lord has called Bryce and Molly to minister to the broken hearted Congolese people, through the declaration of the Kingdom of Heaven and Jesus's resurrection from the dead!

"The Spirit of The Lord is upon me, because The Lord has anointed me to bring good news to the afflicted; He has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and freedom to prisoners;" Isaiah 61:1 NASB

The Mission:

Bryce, Molly, and the Overland Missions team in DR Congo, are active in evangelism outreach to nearby rural villages, discipleship and leadership development, tribal chaplaincy, and children's ministry. The team believes in the transformational power of Jesus Christ, and looks to bring that change to the Congolese people. The team empowers individuals to not just participate in, but lead and build up ministries themselves; living with and discipling those they encounter. The goal is to start a viral movement of God among the Congolese people, and to see hearts and communities serving God through the love of Christ.

Bryce and Molly are in need of prayer and monthly supporters to get their portion of the ministry off the ground and moving. Please consider partnering with them, as they desire to see the Kingdom of God expanded in rural DR Congo. Will you join the team?

The winter weather may have kept some of you at home last Sunday -

Molly Delwiche shared her Faith Story with us, along with information on her upcoming mission work in Africa alongside her soon to be husband Bryce.

Should you have any questions for her, please email: mdelwiche@overlandmissions.com
