Thank you!

We're excited to share that a team of 12 from New Heights is heading to Guatemala to serve on an upcoming mission trip! As part of this mission, our goal is to transform living conditions by constructing safe, secure bedrooms with cement floors, bunk beds, and clean water filtration systems. Every contribution, no matter the size, brings a family closer to a healthier and more stable home.

We invite you to be part of this life-changing work. Your support will help make these projects possible and impact lives in a meaningful way. If you feel led to give, thank you for partnering with us in sharing God's love beyond our walls!
