Welcome to Highroad Children's Centre. We are excited to tell you all about us.

Isaiah 54:13 "All your children will be taught by the Lord and great will be their peace"

We believe that children are unique and a treasured gift from God. With God's love and wisdom to guide us, we believe that we can make a profound difference in their lives. As Preschool Teachers at Highroad Childrens Centre, we are blessed to nurture the children in our care as we guide and mold each distinctive personality with love and respect. We provide the space for children to learn through play in a stimulating, sensory rich safe environment.
