LIST OTHER ITEMS YOUR CAMPER BROUGHT TO CAMP:

GL Initials		Unpacking Initials		Pack Initials	
-------------	--	--------------------	--	---------------	--

Two-week campers **do not** have their laundry done while at camp, so most of what we send home is dirty laundry.

Four-week campers **will** have their laundry done once every two weeks while here. Still, much of what we send home will be dirty.

Emergency laundry **will** be done; anything that is wet, soiled or if a camper runs out of a certain item. If campers are not sent with the basics, we will notify you, purchase them for the camper and charge the provider for the items.

- Use this clothing and supply list as a packing checklist to record the items your camper is bringing. Please feel free to attach a second sheet.
- You must bring a mesh laundry bag.
- Bring this completed list with you to camp and give it to the counselor.
- Identify all items with camper's name.
- Please do not send brand new clothing.
- All items: clothes, electronic devices including tables, phones, etc. are **NOT** the responsibilities of Camp Horizons.

Staff are trained to use this belonging sheet to ensure your camper returns home with everything they arrive with; however, camp is busy and items are occasionally misplaced, so please let us know if anything is missing after your campers return home.

Please refer to information in our FAQ's about the collection station on intake day. Please turn in valuables/electronics at this station.
