

iLAW LUNCHTIME SERIES

HARNESSING DRONE TECHNOLOGY

JUNE 24, 2021 | 1:00 PM BST

SPEAKERS

TONY ROBERTS

HEAD OF CORPORATE, **iLAW**

+44 (0) 738 439 3040

tony.roberts@ilaw.co.uk

Tony has more than 20 years' experience working alongside businesses and entrepreneurs to help them achieve their goals. He also has practised at leading firms including 14 years at Herbert Smith Freehills in London and Moscow and much of his work has an international dimension. Tony always takes a commercial and practical view of legal issues. He advised on major projects when seconded to a global technology company, and sees the world through the eyes of business.

ROBERT GARBETT

CHIEF EXECUTIVE, **DRONE MAJOR**

+44 (0) 207 305 5951

robert@dronemajorgroup.com

Robert Garbett, the founder of Drone Major Group, is an ex-army entrepreneur who ended his military career in 2007 as the head of airworthiness for the Defence Logistics Organisation. With his CAA Airworthiness accreditation, he embarked on a career in software development and cybersecurity, then focusing on the fast-growth drone industry.
