

Outside Seller Information

Outdoor Setup: The earliest you may set up is Friday at 7:00 a.m. Access to the vendor area is available Fridays from 7am to 9pm, Saturdays from 5am to 9pm, and Sundays from 5am to 6pm. In order to sell at our Market, you must have a Vendor ID, which is simply a numeric code in our rent tracking system. The information required for us to create a Vendor ID is full name, complete address, phone number, email address, and valid driver's license or ID number with expiration date. All this information is used for *internal* purposes only.

In order to choose what space you want to use, you must book your space in advance. If the specific space you want is not available, we will get you as close as possible to where you want to be. Rentals that are done in advance cost \$5.00 less than same day rentals. The office is open Wednesday through Friday from 9am to 5pm and on Saturdays and Sundays from 8am to 5pm. You can call us or visit in person to book your space. Additionally, there is an employee available at the ticket booth on Fridays from 7am until 9pm, Saturdays from 5am until 9pm, and Sundays from 5am until 12:00pm. Online booking is available on our website, www.treasureaislesflea.com/sell.

All outside selling spaces come with a parking space. If you have more vehicles than selling spaces, the additional car(s) will need to park in the customer lot or in the vendor overflow parking in the southeast corner of the lot. Vendor overflow parking is available on a first come, first serve basis. Please note that parking in other spaces can result in a fine and/or your vehicle being towed.

The vendor who is set up on a space has first rights to rent it for the future unless it is already booked in the future to a different vendor. If a space is not paid for by 5pm on Saturday, it will be available to someone else for Sunday. If it is not paid for by 5pm on Sunday, it will be available to someone else for the future.

If you want to leave your merchandise set up on a space on Saturday night for Sunday sales, you must pay for the Sunday booking before 5pm on Saturday. Failure to do so can lead to double rent and/or fines! Spaces that are booked for just Sunday cannot be set up on until after 5pm on Saturday.

Anyone reserving under the shelters and leaving items on the spaces all week (tables, merchandise, shelving, trailers, storage containers, vehicles, etc.) must pay the rent at least 1 week in advance. Failure to do so will result in a 10% late fee and your merchandise is subject to being discarded if it appears to have been abandoned. Although the Market remains open for Sellers who want to set up year-round, in the winter, nothing is allowed to be left underneath the shelters through the week. The cut-off date changes each year depending on the weather; a memo will be delivered to each space with the current year's dates. Sellers who want to set up under the shelters ARE still able to do so as long as they bring their merchandise with them each weekend and take it off of the property at the end of weekend.

Absolutely NO items can be left on the blacktop area after Sunday night without express permission from Market Management. Any items left on the blacktop areas as of Monday morning are assumed to be abandoned, will be disposed of immediately, and are subject to a fine.
