

NONPROFIT BUSINESS ACCELERATOR

Through its **Nonprofit Business Accelerator Program**, AEDC delivers expert business counseling, strategic planning, and access to capital tailored to the unique financial and operational realities of rural nonprofits. We do this through our professional team, industry experts, and strong community partners.

The business accelerator program offers:

- ▶ **Tools, frameworks, and knowledge to grow and sustain**
- ▶ Organizational evaluation: programs, governance, operations, communications, and partnerships
- ▶ Individualized business counseling and training
- ▶ **Access to capital**
- ▶ Strategic growth planning, revenue diversification, and loan readiness coaching
- ▶ **Connections to AEDC's economic and community partner network**

NONPROFIT LOAN PROGRAM

AEDC's **Nonprofit Loan Program** provides bridge financing for financially stable nonprofits that are pursuing **capital projects** and need **cash flow** as they await **grant reimbursements**. Loan funds are generally used for equipment and other fixed asset purchases, renovations, and working capital.

The loan program offers:

- ▶ **Bridge loans**
- ▶ Below market interest rates
- ▶ Minimal closing costs
- ▶ Flexible terms, including interest-only payments
