PROJECT ANGEL FOOD ANGEL AWARDS 2026

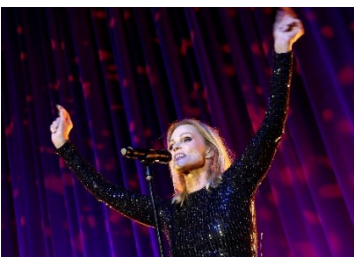

On Saturday, September 26, 2026, Project Angel Food will host our annual **Angel Awards Gala** at 922 Vine Street—where our mission began and where our medically tailored meal program is headquartered. After 18 months of construction, our new, state-of-the-art kitchen has significantly expanded our capacity to prepare and deliver tens of thousands more meals each year to the most vulnerable members of our community.

This year, we are proud to honor a titan of television comedy—writer, director, producer, and philanthropist **Chuck Lorre**—whose extraordinary generosity has made possible the naming of our new **Chuck Lorre Family Foundation Kitchen and Campus**. **Barenaked Ladies** will perform, adding to what promises to be an unforgettable evening. This year's event is especially meaningful as we share updated plans for our expanded facility and its future impact on our mission.

We respectfully invite **YOU** to join us once again for the Angel Awards. At our core, we are committed to providing healthy nutrition and compassionate care to our clients, and we are honored to recognize your vital role in helping us nourish both body and spirit.

Since 1989, Project Angel Food has prepared and delivered more than 20 million meals to individuals living with life-threatening illnesses. Today, we provide medically tailored meals to more than 7,100 men, women, and children annually serving approximately 2,800 clients each day across all 4,752 square miles of Los Angeles County. Notably, 86 cents of every dollar raised goes directly toward program services, and we are proud to maintain a four-star rating from Charity Navigator for our responsible stewardship and excellence in service.

We sincerely appreciate your consideration and continued partnership.

WHO WE SERVE...

Each year, Project Angel Food delivers 1.5 million meals to 6,240 critically ill people across the 4,752 square miles of L.A. County. Behind every one of these meals is a person fighting to survive — and on any given day, **2,700 clients are depending on us.**

These are our neighbors who need us most: 81% are people of color, 78% live at or below the federal poverty line, and for 86%, the meals we deliver are their primary source of nourishment. An extraordinary **97% of clients say that our support provides essential financial relief**, helping them stay housed during the toughest moments of their lives.

Over the past 36 years, we have delivered more than 20 million meals, earned a Four-Star Charity Navigator rating, and twice been honored as California's Nonprofit of the Year. But what matters most is the dignity, comfort, and hope our meals bring to those who need them.
