

FLOODPLAIN MANAGEMENT TRAINING

Department of
Environmental
Conservation

Variances in the NFIP Workshop

NYSDEC in partnership with the Village and Town of East Aurora will be providing a workshop on reviewing local variances from the flood damage prevention law. The intended audience is local code, zoning, and planning officials. The course will include:

- Reviewing Floodplain Variances: A Training for Local FPAs and Appeals Boards (1 hr.)
- A group activity reviewing sample variance requests

August 19, 2026 5:00 – 6:30pm

Aurora Municipal Center, 575 Oakwood Ave, East Aurora NY 14052

Registration will close on August 18, 2026 at 5:00pm! Register using the link below or scan the QR Code.
