# CORAL GARDEN

HOTEL LE BORA BORA  
SEA NAREA

*The coral workshop, a souvenir that will make this incredible trip last...*

*The protection of coral reefs and marine biodiversity is at the core of our concerns. And thanks to the help of "SeaNarea", we can raise awareness among our guests.*

*With this activity, coral will no longer hold any secrets for you! You will discover the basics of its feeding and reproduction methods, and become an actor of its conservation.*

*An interactive presentation will take place at the edge of the lagoon. You will then take your own coral cuttings that we will install together in the aquatic garden, which will be re-implanted on our reefs when they are mature.*

*A certificate of cutting will be sent to you with photos of your cuttings and a follow-up will be made so that you can see them grow. Once the cuttings are re-implanted on a reef, the GPS location of your cutting will be communicated to you!*

*Live a unique experience between culture, nature, and wonder!*

*After exploring the motu, we welcome you under our fare pote'e to share the traditional craftsmanship surrounding the Tahitian pearl.*

*Put on your mask and snorkel and dive into the crystal-clear waters of Bora Bora to meet our pearl oysters, suspended in strands beneath the surface. Choose yours... it may already be waiting for you! And if you're lucky, the stingrays might come to greet you too.*

*Back on the motu, enjoy refreshing treats (fresh fruits and beverages) and let yourself be carried away by the melodies of ukuleles as we harvest your pearl. Discover the fascinating stages of its formation, then take home your treasure, beautifully presented in a bottle of Bora Bora sand or a velvet pouch signed by Bora Bora Pearl Farm.*
