

## 2022 Maxville Cabernet Sauvignon Estate

---

Maxville's 2022 Cabernet Sauvignon Estate comes exclusively from the property in Chiles Valley and is a blend of 76% Cabernet Sauvignon, 11% Petit Verdot, 8% Malbec and 5% Petite Sirah. Subtle cedar notes (it spent 20 months in 60% new French oak) underpin blackberry and blueberry fruit on the nose. While the palate is medium to full-bodied, perhaps a bit broad and brashly fruity, it's supple and silky on the lingering finish. Largely because of its off-the-beaten-track location, the quality-to-price ratio is hugely favorable.
