"The nose is deeply scented and lifted, with aromas of bramble berries, violets and mocha. The palate is full-bodied with finely integrated tannins and acidity, showing notes of wild blackberries, tobacco leaves and cedar. Very nicely balanced and constructed. Drink or hold."

"Deeply extracted, bold densely layered aromas of cassis, blackberry, and toasty oak. Ample weight on the palate, nice concentration, full, round, and well structured. The black fruit aroma carries through to the palate, alongside well-integrated high quality oak notes. The finish is long with tannins that are ripe but add an element of grip."

JEB DUNNUCK

"Generous, full-bodied with ripe, firm tannins and mineral-laced brambly red and black-toned fruits nuanced by tobacco, bay leaf, and fragrant sagebrush. The tannins build with intensity on the palate, softened by good acid tension, and the finish is punctuated by perfumed rose petals and cinnamon."
