

# Strawberry

Boba POPS Strawberry are a juicy burst of happiness in every pearl! They're sweet but with just the right amount of tang to keep things exciting, like a cheerleader doing a happy dance in your mouth. Each berry is like a mini-explosion of sunshine—bright, fresh, and bursting with that classic red-fruit flavor that makes you feel like you're strolling through a sun-dappled field. It's a flavor that's playful and juicy, like a summer romance in fruit form: sweet, a little bold, and totally irresistible. Think of them as the boba equivalent of a sweet smile—easy to love, impossible to forget!
